360 CAMERAS			
CHDHZ-203-RW	818279029352	MAX captures everything around you in stunning 5.6K spherical video while completely erasing your extension pole from the shot. Just point it anywhere and pick the best angles later. Create immersive point-of-view footage, selfie shots, follow-cam footage and more from the same video. The GoPro Quik app makes it easy to reframe your footage and automatically track objects while powerful editing tools help you create videos that you can share right from your phone.	\$520.00
HERO13 BUNDLES			
		This bundle includes our best camera yet—HERO13	
		Black—plus The Handler, an extra Enduro battery, an	
		extra Curved Adhesive Mount, a 64GB SD card and a	
		case. In addition to best-in-class 5.3K60 video and	

CHDRB-131-RW	810116381630	legendary durability, HERO13 Black is compatible with	\$660.00
		the HB-Series Lenses. Its more powerful Enduro	
		battery extends recording time, while an updated	
		mounting system gives you more mounting options	
		than any GoPro before it.	
CHDFB-131-AS	810116381678	The HERO13 Black Creator Edition is an all-in-one content capturing powerhouse that makes vlogging, filmmaking and live streaming easier than ever. This complete system features pro-quality 5.3K60 video with HDR, Emmy® Award-winning HyperSmooth 6.0 video stabilization, over 5 hours of 4K recording time per charge, enhanced audio with the option to add an external mic and powerful LED lighting. It's also compatible with the HB-Series Lenses that let you expand your capture capabilities.	\$890.00
HERO13 CAMERAS			
CHDHX-131-RW	810116381616	In addition to best-in-class 5.3K60 video and legendary durability, HERO13 Black is compatible with the HB- Series Lenses. These lenses expand your capture capabilities for the most immersive POV shots, the ability to focus closer than ever, motion blur using neutral density filters and anamorphic footage. A more powerful Enduro battery extends recording time, while an updated mounting system gives you more mounting options than any GoPro before it.	\$590.00
CHDHX-132-RW	810116383559	In addition to best-in-class 5.3K60 video and legendary durability, HERO13 Black is compatible with the HB- Series Lenses. These lenses expand your capture capabilities for the most immersive POV shots, the ability to focus closer than ever, motion blur using neutral density filters and anamorphic footage. A more powerful Enduro battery extends recording time, while an updated mounting system gives you more mounting options than any GoPro before it.	\$590.00
HERO12 CAMERAS			
CHDHX-121-RW	810116380282	Incredible image quality, even better HyperSmooth video stabilization and a huge boost in battery life come together in the latest and greatest GoPro—HERO12 Black. It takes 5.3K video and adds High Dynamic Range (HDR) for even more detail in your footage.	\$520.00
		Thanks to its improved power management, it delivers 2x longer continuous recording at 5.3K60 (70 minutes). Tough and lightweight, it's ready for anything on land or water while advanced stabilization keeps footage smooth over rough terrain.	
HERO CAMERA			

CHDHF-131-AS	810116381876	Simplified design. Simplified capture. Simplified sharing. Incredible price. HERO brings it all together in a rugged compact design that's smaller than other GoPro cameras. It also features streamlined controls, 4K video, HyperSmooth video stabilization with the GoPro Quik app, plus the ability to auto-upload your footage to the cloud where a highlight video is automatically created and sent to your phone.	\$300.00
BATTERIES & CHARGERS			
AEDBD-201-AS	810116380787	This Dual Battery Charger conveniently charges two batteries dynamically to give you a fully charged battery as soon as possible. Status lights let you know the batteries' charge status even when you're not plugged into power. Comes with two Enduro batteries that you can use as replacements or spares for HERO13 Black.	\$120.00
AEBAT-001	810116380756	Enduro for HERO13 Black is the newest ultra-high- performance battery that you can use as a replacement or spare for the one that came with your GoPro. The 1900 mAh capacity gets your HERO13 Black over 3 hours of 1080p30 runtime or over 1.5 hours when recording 4K30 or 5.3K30 video.	\$45.00
AEBAT-201	810116381326	The ultra high-performance Enduro battery for HERO13 Black delivers exceptional recording time in a wide variety of conditions and temperature ranges, with over 3 hours of 1080p30 recording or over 1.5 hours when recording 4K30 or 5.3K30 video. Use it as a replacement or spare for the one that came with your GoPro.	\$75.00
ADDBD-211-AS / ADDBD-211-VA	818279028027	Includes a Dual Charger that lets you charge two GoPro batteries simultaneously, plus two Enduro batteries that improve your camera's cold weather performance while also extending recording times by up to 40% in moderate temperatures.	\$90.00
ADBAT-011	818279027969	Enduro features revolutionary technology that dramatically improves your HERO10 or HERO9 Black's performance in cold temperatures for snow sports and other winter activities while extending recording times up to 40% in moderate temperatures.	\$35.00
MODS & KITS			
AEWAL-021	810116381418	Expand the creative possibilities of your HERO13 Black with the premium HB-Series Macro Lens Mod. A manual variable focus ring gets you 4x closer to your subject than ever before on a GoPro—from 4.33in (11cm) to 2.46ft (0.75m), —while focus peaking helps you see what's in focus on the camera screen. Simply attach the lens and your camera will adjust its settings. Durable, scratch resistant and waterproof when installed.	\$190.00
AEWAL-001	810116381401	Transform HERO13 Black into the ultimate POV camera by capturing more in every shot with the highest level of video stabilization. The premium HB- Series Ultra Wide Lens Mod expands HERO13 Black's field of view (FOV) to 177°—36% wider and 48% taller than shots captured with its standard lens. Simply attach the lens, and your camera will adjust its settings accordingly. Durable and scratch-resistant, the lens is waterproof when installed.	\$150.00
ADCON-001	810116381340	Keep your GoPro charged and extend its runtime—even when you're in the middle of the action—with the waterproof Contacto door. Skip battery changes on the go and stay juiced during long events or time-lapse shots. Simply attach the door to your camera, then use the magnetic cable to connect to any USB-C power source.	\$120.00
AKTES-003	810116380077	Gear up with must-have mounts for immersive point-of- view and handheld footage while hiking, snorkeling, riding roller coasters and more. It all comes bundled with a compact carrying case at an awesome value.	\$90.00

AKTAC-001	818279023459	Score two of our most popular mounts for capturing hands-free and gear-mounted shots while biking, skiing, paddling and more.	\$100.00
AKTTR-002	818279024142	Grab must-have gear that's perfect for selfies, group shots and more while you're out exploring.	\$95.00
MOUNTS			
AFAEM-002	818279024180	3-Way 2.0 is three essential mounts in one. It's an ergonomic camera grip that transforms into a tripod, plus an extension arm for selfies or follow shots. A built-in ball joint even lets you tilt your camera or swivel it 360°.	\$100.00
AGXTS-002-AS	810116380114	Stretching to 48in (122cm) and collapsing to 10in (25cm), this extension pole reaches longer and travels lighter. Includes a Bluetooth remote to snap photos and record video.	\$120.00
AEMAG-002	810116382163	The Magnetic Latch Ball Joint Mount makes it easy to move your HERO13 Black between GoPro mounting setups so your camera can rotate and tilt to capture new angles. Magnets line up the adapter with your camera, then auto-engaging latches lock it in without thumb screws and release it with a pinch. Built tough with a metal shell, this mount is ready for action.	\$60.00
AEMAG-001	810116382156	The Magnetic Latch Mount makes it easier than ever to move your HERO13 Black between mounting setups. Attach it to your favorite handheld grip or body mount to quickly change your POV. It uses magnets to line up your camera, so all you do is snap it in place with the auto-engaging dual latches—no thumb screw needed. Simply pinch the latches to release your camera.	\$35.00
AFTTM-001	818279015867	A portable mini extension pole and tripod with a sleek, subtle design that makes it the perfect little camera partner for all your on-the-go activities.	\$60.00
AFHGM-003	818279025576	A floating grip for handheld shots in and out of the water. Perfect for selfie, POV and follow footage.	\$45.00
APHGM-001-AS	818279027266	Ultra versatile by design, Volta amps up your GoPro with an additional 2x the power of the standard GoPro battery, has built-in buttons for easy one-handed camera control and transforms into a handy tripod.	\$190.00
ACCESSORIES			

AFFLT-002	810116381937	This easy-to-spot accessory keeps your HERO afloat if you lose it in the water. Mountable and waterproof, Floaty features tough, buoyant wraparound protection that allows access to camera buttons, LCD screen, LED and mounting fingers. It also includes a tether point.	\$35.00
AENDF-001	810116381425	Create cinematic motion blur with this 4-pack of premium HB-Series neutral density (ND) filters for HERO13 Black. Attach a filter, and your camera automatically detects it and shifts into Auto Cinematic video mode so you can create motion blur with ease. Advanced users can manually configure the shutter speed and exposure settings to fine-tune a shot for the lighting conditions. Made from scratch-resistant, high- optical quality glass and waterproof when installed.	\$105.00
AFFRC-002	810116381920	Help keep your HERO damage-free with this protective sleeve, which features a lightweight, shock-absorbing design that protects the camera from dings and scratches without adding bulk. Easy to install, with access to the camera's buttons, touch screen, LED, mounting fingers and USB port.	\$30.00
